Erratum on material error at
Invitation to the competitive tendering,
registered with no. 101/2947/12.06.2020, for the selection of contractual partners for
the provision of payment services such as remittances at international level

Hereby, the material error is corrected within the Invitation to the competitive tendering, registered with no. 101/2947/12.06.2020 and published on the public website of Romanian Post, for the selection of contractual partners for the provision of payment services such as remittances at international level, as follows:

- From the table "Evaluation factors" the evaluation factor "Annual fee for providing the service" with the related description is eliminated from the subsection of the Financial Component.

Following this erratum, the submission deadline of the offers is extended until June 19, 2020, at 16:00.

With consideration,

General Director
Horia GRIGORESCU
